

# Kuttawa Harvest Festival

PO Box 400 \* Kuttawa, KY 42055

*September 26 & 27, 2008*

Dear Local Non-Profit Organizations,

The Kuttawa Harvest Committee would like to cordially invite you to participate in the The Kuttawa Harvest Festival 2008.

It is our goal this year to provide all the food and drink needs totally with our local non-profit organizations. To make this a success, your organization **MUST** apply by August 15, 2008. At this time, space will be opened to commercial vendors **only** if needed.

We are also trying to have a good variety of choices. On the attached form please let us know what you would like to sell. We will make the final decisions (first come first served) to insure proper variety and undue duplication.

The 2007 Harvest Festival was a great success and we look forward to continuing that tradition. Each year, the Kuttawa Harvest Festival continues to grow and has become one of the best small festivals located on the lake in beautiful Western Kentucky. If you or your organization would like to participate in this growing annual event, please complete the enclosed vendor registration entry form and return no later than August 15, 2008.

The Kuttawa Harvest Festival is a great place to enjoy the autumn ambiance of the lakes area centered in Old Kuttawa Park. We hope to see you there.

Sincerely,  
*The Kuttawa Harvest Festival Committee*
