*September 26 & 27, 2008*

Dear Vendors,

The Kuttawa Harvest Committee would like to cordially invite you to participate in The Kuttawa Harvest Festival 2008.

In an effort to make this Festival both enjoyable for us and profitable for you, we are reviewing all vendor applications by committee. We ask that you inform us of all the items you hope to sell on the application form. Also, please return the form by August 15, 2008 with a \$25 non-refundable booth fee. We take the most care assigning space to please all parties involved.

The 2007 Harvest Festival was a great success and we look forward to continuing that tradition. Each year, the Kuttawa Harvest Festival continues to grow and has become one of the best small festivals located on the lake in beautiful Western Kentucky. If you would like to participate in this growing annual event, please complete the enclosed vendor registration entry form and return no later than August 15, 2008.

The Kuttawa Harvest Festival is a great place to enjoy the autumn ambiance of the lakes area centered in Old Kuttawa Park. We hope to see you there.

Sincerely,

*The Kuttawa Harvest Festival Committee*
